Mustang Soccer League and Golden Gate Sports Referee Association announce a partnership.
Danville, California-

Golden Gate Sports Referee Association, GGSRA, is delighted to announce a joint partnership with Mustang Soccer League. Effective June, 1, 2019, GGSRA will begin referee assignments for all MSL tournaments.

This agreement would allow both organizations to focus on their core competencies in developing and supporting youth athletes.

Mustang Soccer League

Founded in 1972, the Mustang Soccer League was established for the purpose of providing positive and safe soccer opportunities to children from age five through eighteen. Mustang Soccer provides multiple levels, programs and activities that promote the health and wellbeing of all members of the organization creating healthy habits for all members of the community. While the original administrative area included what is now the City of San Ramon, Mustang Soccer currently serves the citizens of the Town of Danville, Diablo, Alamo, the Blackhawk area and a small southern slice of Walnut Creek, consistent with the San Ramon Valley School District boundaries.

With over 4,700 children registered yearly, the roster of players represents nearly one out of every two students in the schools that fall within our coverage. The League utilizes 31 soccer fields located at 15 separate school or community park sites. These sites are owned or operated by the Town of Danville, San Ramon Valley School District, Alamo (R7A), the Athenian School and Blackhawk Homeowners Association. In 2007, two artificial turf fields and a fieldhouse were completed at the Mustang Soccer Complex.

Golden Gate Sports Referee Association

GGSRA, formerly known as SACSRA, was established in 1965 and began providing soccer referees to what was then known as HAAL, Hayward Area Athletic League, which included all high schools on the East Bay in Alameda County. The organization changed name in 2014 and has grown to near 4000 active referees which serve many local and national schools. In addition to the local high schools, middle schools and elementary school, GGSRA serves and supports all College Club Soccer Match on the West Coast, from Canada to Mexico. GGSRA Board Members are well known and highly respected State & National Referee.
